

Jeff Lightfoot's 2018 Summer Baseball Camps at Weatherford College's Roger Williams Ballpark

The three day camp is an excellent opportunity for players to develop their skills in all areas of the game. The camp staff will emphasize hitting, fielding, base running and throwing fundamentals through drills, proper practice techniques, game situations, and video evaluation. Players will have the opportunity to showcase their skills during games each day. Campers are divided by age and ability for games and drills. Campers will be given instruction to help them advance into the Total Baseball Player.

At the WC Baseball Camp you can rest assured that you will receive quality instruction. Camp organizer 18th year Head Coach Jeff Lightfoot has 600+ wins as a Head Coach at the college level. Assisted by Pitching Coach David Walden; Coach Walden brings a wealth of experience from all levels of baseball including 30+ years of coaching. The remainder of the staff will be made up of former and current Coyote baseball players with College and Pro experience.
